SUBJECT INDEX*

A

Accreditation
JCAHO accreditation considerations for the home care WOC nurse (Hansen). 1999;26:230-7
Adenomatous polyposis coli
Ileoanal procedures: acute and long-term management issues (Hull). 1999;26:201-6
The lived experience of having an ileoanal reservoir: a phenomenologic study (Beitz). 1999;26:185-200
Aged
Clinical practice guidelines for pressure ulcer prevention can prevent malpractice lawsuits in older patients (Goebel and Goebel). 1999;26:175-84
International Year of Older Persons (Palmer). 1999;26:107-8 (Guest Editorial)
Nursing interventions for urinary incontinence in home health (Hiser). 1999;26:142-60
Urinary incontinence: occurrence, knowledge, and attitudes among women aged 55 and older in a rural Midwestern setting (Keller). 1999;26:30-8
Urinary incontinence in a geriatric patient with a complex neurologic history (Wells et al). 1999;26:270-4 (Options in Practice)
Anatomy
A review of the anatomy of the male continence mechanism and the cause of urinary incontinence after prostatectomy (Moore). 1999;26:86-93
Attitude; *see* Attitude of health personnel; Knowledge, attitudes, practices
Attitude of health personnel
International Year of Older Persons (Palmer). 1999;26:107-8 (Guest Editorial)

B

Bandages
Compression therapy for venous ulceration (Bundens). 1999;26:171-2 (Letter)
Compression therapy for venous ulceration (Heavner). 1999;26:171 (Letter)
Description of pressure ulcer pain at rest and at dressing change (Szor and Bourguignon). 1999;26:115-20
Techniques for applying subatmospheric pressure dressing to wounds in difficult regions of anatomy (Greer et al). 1999;26:250-3
Venous ulceration: compression as the mainstay of therapy (Reichardt). 1999;26:39-47
Beds
Detailed description and testing of shear measuring device requested (Maggio). 1999;26:56 (Letter)
Reply (Fontaine). 1999;26:56-7 (Letter)
Book reviews; *see* In Review

C

Calciphylaxis
Calciphylaxis in a patient with end-stage renal disease (Cimino and Shipes). 1999;26:161-6 (Options in Practice)
Case management, organization, and administration
WOC(ET) nursing and case management (Cullen). 1999;26:53-4 (President's Message)
Case report; *see also* Nursing records
Adult survivors of childhood sexual abuse as patients: two case studies (Hudson et al). 1999;26:60-6
Calciphylaxis in a patient with end-stage renal disease (Cimino and Shipes). 1999;26:161-6 (Options in Practice)
Management of a long-term care patient with extensive necrotic pressure ulcers (Ludwig et al). 1999;26:320-4 (Options in Practice)
Management of a neonate with necrotizing enterocolitis and eight prolapsed stomas in a dehisced wound (Craven et al). 999;26:214-20 (Options in Practice)
Pouching a draining duodenal cutaneous fistula: a case study (Zwanziger). 1999;26:25-9
Pouching challenges in a patient with extensive peristomal skin loss and subsequent skin graft (Hocevar et al). 1999;26:48-52 (Options in Practice)
Severe peristomal pyoderma gangrenosum: a case study (Brady). 1999;26:306-11
Treatment of painful lower extremity ulcers in a patient with sickle cell disease (Campton-Johnston et al). 1999;26:98-104 (Options in Practice)
Urinary incontinence in a geriatric patient with a complex neurologic history (Wells et al). 1999;26:270-4 (Options in Practice)
Child
Listen to the children (Cullen). 1999;26:226-7 (President's Message)
Child abuse, sexual
Adult survivors of childhood sexual abuse as patients: two case studies (Hudson et al). 1999;26:60-6
Child development
The effect of ostomy surgery between the ages of 6 and 12 years on psychosocial development during childhood, adolescence, and young adulthood (Erwin-Toth). 1999;26:77-85
Classification
Comparison of subjective classification of stool consistency and stool water content (Bliss et al). 1999;26:137-41
Clinical competence
From clinical expert to clinical investigator (Gray). 1999;26:55 (Editorial)
Cohort studies
Prevalence, incidence, and prediction of pressure ulcers on a rehabilitation unit (Schue and Langemo). 1999;26:121-9
Colitis, ulcerative
Ileoanal procedures: acute and long-term management issues (Hull). 1999;26:201-6
The lived experience of having an ileoanal reservoir: a phenomenologic study (Beitz). 1999;26:185-200
Colonic neoplasms
The concerns of patients and spouses after the diagnosis of colon cancer: a qualitative analysis (Northouse et al). 1999;26:8-17
Colostomy
Elective colostomy in the patient with a spinal cord injury: an ET nurse's perspective (Edgar). 1999;26:18-24
A multidimensional modeling of predictors influencing the adjustment to a colostomy (Piwonka and Merino). 1999;26:298-305

*January, pp 1-52; March, pp 53-104; May, pp 105-166; July, pp 167-222; September, pp 223-282; November, pp 283-332.

Comorbidity
Urinary incontinence in a geriatric patient with a complex neurologic history (Wells et al). 1999;26:270-4 (Options in Practice)
Computer communication networks
E-mail etiquette: tips for effective use (Peirce). 1999;26:288-9 (Guest Editorial)
Conferences
Annual conference: a time for renewal (Cullen). 1999;26:105-6 (President's Message)
Cross-sectional studies
Intraoperatively acquired pressure ulcer prevalence: a national study (Aronovitch). 1999;26:130-6
Moving from concept to research design (Whitney and Gray). 1999;26:290-1
Prevalence, incidence, and prediction of pressure ulcers on a rehabilitation unit (Schue and Langemo). 1999;26:121-9
Cutaneous fistula
Pouching a draining duodenal cutaneous fistula: a case study (Zwanziger). 1999;26:25-9

D

Databases
Navigating the literature (Whitney). 1999;26:173-4
Perfecting the search (Pravikoff). 1999;26:7 (Letter)
Data interpretation, statistical
Descriptive basics: measures of central tendency (Whitney). 1999;26:209
On odds ratios and relative risk (Whitney). 1999;26:122 (Notes on Methodology)
Validity and reliability: basic research concepts (Whitney). 1999;26:240
Decubitus ulcer
Description of pressure ulcer pain at rest and at dressing change (Szor and Bourguignon). 1999;26:115-20
Decubitus ulcer, epidemiology
Intraoperatively acquired pressure ulcer prevalence: a national study (Aronovitch). 1999;26:130-6
On odds ratios and relative risk (Whitney). 1999;26:122 (Notes on Methodology)
Prevalence, incidence, and prediction of pressure ulcers on a rehabilitation unit (Schue and Langemo). 1999;26:121-9
Decubitus ulcer, prevention and control
Clinical practice guidelines for pressure ulcer prevention can prevent malpractice lawsuits in older patients (Goebel and Goebel). 1999;26:175-84
Developing and implementing a wound care program in long-term care (Fenner). 1999;26:254-60
Decubitus ulcer, treatment
Management of a long-term care patient with extensive necrotic pressure ulcers (Ludwig et al). 1999;26:320-4 (Options in Practice)
Techniques for applying subatmospheric pressure dressing to wounds in difficult regions of anatomy (Greer et al). 1999;26:250-3
Delivery of health care
Y2K: Are you ready? (Cullen). 1999;26:167-8 (President's Message)
Dressings; *see* Bandages

E

Editorials; *see also* Guest Editorials
Are we ignoring the lessons of history? (Gray). 1999;26:169-70
From clinical expert to clinical investigator (Gray). 1999;26:55 (Editorial)

K

Kidney failure, chronic
Calciphylaxis in a patient with end-stage renal disease (Cimino and Shipes). 1999;26:161-6 (Options in Practice)
Knowledge, attitudes, practices; *see also* Clinical competence
The concerns of patients and spouses after the diagnosis of colon cancer: a qualitative analysis (Northouse et al). 1999;26:8-17
Urinary incontinence: occurrence, knowledge, and attitudes among women aged 55 and older in a rural Midwestern setting (Keller). 1999;26:30-8

L

Leg injuries
Techniques for applying subatmospheric pressure dressing to wounds in difficult regions of anatomy (Greer et al). 1999;26:250-3
Leg ulcer, therapy
Compression therapy for venous ulceration (Bundens). 1999;26:171-2 (Letter)
Compression therapy for venous ulceration (Heavner). 1999;26:171 (Letter)
Techniques for applying subatmospheric pressure dressing to wounds in difficult regions of anatomy (Greer et al). 1999;26:250-3
Treatment of painful lower extremity ulcers in a patient with sickle cell disease (Campton-Johnston et al). 1999;26:98-104 (Options in Practice)
Venous ulceration: compression as the mainstay of therapy (Reichardt). 1999;26:39-47
Letters to the Editor
Changes in enterostomal therapy (Aronovitch). 1999;26:171
Compression therapy for venous ulceration (Bundens). 1999;26:171-2
Compression therapy for venous ulceration (Heavner). 1999;26:171
Detailed description and testing of shear measuring device requested (Maggio). 1999;26:56
Fight for product development and availability (Stout). 1999;26:111
Hepatitis C virus (Donnelly). 1999;26:111-2
Nursing research (Andrychuk). 1999;26:172
Perfecting the search (Pravikoff). 1999;26:7 (Letter)
Reply (Fontaine). 1999;26:56-7
Thank you (Thompson). 1999;26:171
Lifestyle
Lifestyle factors and continence status: comparison of self-report data from a postal survey in England (Roe and Doll). 1999;26:312-9
Long-term care
Developing and implementing a wound care program in long-term care (Fenner). 1999;26:254-60

Management of a long-term care patient with extensive necrotic pressure ulcers (Ludwig et al). 1999;26:320-4 (Options in Practice)
Staff compliance with and ratings of effectiveness of a prompted voiding program in a long-term care facility (Remsburg et al). 1999;26:261-9

M

Malpractice
Clinical practice guidelines for pressure ulcer prevention can prevent malpractice lawsuits in older patients (Goebel and Goebel). 1999;26:175-84
Medicare Part A
Notes from the Regulatory and Reimbursement Subcommittee Establishing Reimbursement Outpatient Services (McNichol et al). 1999;26:22A (WOCN Links)

N

Notes on Methodology
Case study research (Whitney). 1999;26:62
Descriptive basics: measures of central tendency (Whitney). 1999;26:209
On odds ratios and relative risk (Whitney). 1999;26:122
Validity and reliability: basic research concepts (Whitney). 1999;26:240

Probability
On odds ratios and relative risk (Whitney). 1999;26:122 (Notes on Methodology)
Proctocolectomy, restorative
Ileoanal procedures: acute and long-term management issues (Hull). 1999;26:201-6

Pouching a draining duodenal cutaneous fistula: a case study (Zwanziger). 1999;26:25-9
Pouching challenges in a patient with extensive peristomal skin loss and subsequent skin graft (Hocevar et al). 1999;26:48-52 (Options in Practice)

Proctocolectomy, restorative, psychology
The lived experience of having an ileoanal reservoir: a phenomenologic study (Beitz). 1999;26:185-200

Prolapse
Management of a neonate with necrotizing enterocolitis and eight prolapsed stomas in a dehisced wound (Craven et al). 999;26:214-20 (Options in Practice)

Prostatectomy
A comparison of midnight versus early morning removal of urinary catheters after transurethral resection of the prostate (McDonald and Thompson). 1999;26:94-7
A review of the anatomy of the male continence mechanism and the cause of urinary incontinence after prostatectomy (Moore). 1999;26:86-93

Pyoderma gangrenosum
Severe peristomal pyoderma gangrenosum: a case study (Brady). 1999;26:306-11

R

Rehabilitation centers
Prevalence, incidence, and prediction of pressure ulcers on a rehabilitation unit (Schue and Langemo). 1999;26:121-9

Reproducibility of results
Validity and reliability: basic research concepts (Whitney). 1999;26:240 (Notes on Methodology)

Research, nursing; *see* Nursing research

Research design
Moving from concept to research design (Whitney and Gray). 1999;26:290-1

Research metholodology; *see* Notes on methodology; Nursing research

Research personnel
From clinical expert to clinical investigator (Gray). 1999;26:55 (Editorial)

Risk assessment
On odds ratios and relative risk (Whitney). 1999;26:122 (Notes on Methodology)
Prevalence, incidence, and prediction of pressure ulcers on a rehabilitation unit (Schue and Langemo). 1999;26:121-9

S

Self-care
A multidimensional modeling of predictors influencing the adjustment to a colostomy (Piwonka and Merino). 1999;26:298-305

Skin care; *see also* Bandages
Management of extensive peristomal ulcers around a retracted, stenotic ileal conduit stoma site (Bonham and Schaffner). 1999;26:276-82 (Options in Practice)
Pouching a draining duodenal cutaneous fistula: a case study (Zwanziger). 1999;26:25-9
Pouching challenges in a patient with extensive peristomal skin loss and subsequent skin graft (Hocevar et al). 1999;26:48-52 (Options in Practice)

Skin transplantation
Pouching a draining duodenal cutaneous fistula: a case study (Zwanziger). 1999;26:25-9
Pouching challenges in a patient with extensive peristomal skin loss and subsequent skin graft (Hocevar et al). 1999;26:48-52 (Options in Practice)

Social adjustment
A multidimensional modeling of predictors influencing the adjustment to a colostomy (Piwonka and Merino). 1999;26:298-305

Specialties, nursing
Titles and Transitions: the challenges of change (Bonham). 1999;26:5-6 (Guest Editorial)

Spinal cord injuries
Elective colostomy in the patient with a spinal cord injury: an ET nurse's perspective (Edgar). 1999;26:18-24

Statistics; *see* Data interpretation, statistical

Stomas; *see also* Ostomy; Proctocolectomy, restorative
Adult survivors of childhood sexual abuse as patients: two case studies (Hudson et al). 1999;26:60-6
Management of a neonate with necrotizing enterocolitis and eight prolapsed stomas in a dehisced wound (Craven et al). 999;26:214-20 (Options in Practice)
Management of extensive peristomal ulcers around a retracted, stenotic ileal conduit stoma site (Bonham and Schaffner). 1999;26:276-82 (Options in Practice)
Pouching a draining duodenal cutaneous fistula: a case study (Zwanziger). 1999;26:25-9
Pouching challenges in a patient with extensive peristomal skin loss and subsequent skin graft (Hocevar et al). 1999;26:48-52 (Options in Practice)
Severe peristomal pyoderma gangrenosum: a case study (Brady). 1999;26:306-11

Stress, psychological
Adult survivors of childhood sexual abuse as patients: two case studies (Hudson et al). 1999;26:60-6

Survivors
Adult survivors of childhood sexual abuse as patients: two case studies (Hudson et al). 1999;26:60-6

BOUND VOLUMES AVAILABLE TO SUBSCRIBERS

Bound volumes of the *Journal of WOCN* are available to subscribers (only) for the 1999 issues from the Publisher, at a cost of $46.00 for domestic, $56.71 for Canadian, and $53.00 for international subscribers for Vol. 26 (January–November). Shipping charges are included. Each bound volume contains a subject and author index and all advertising is removed. Copies are shipped within 60 days after the publication of the last issue of the volume. The binding is durable buckram with the journal name, volume number, and year stamped in gold on the spine. *Payment must accompany all orders.* Contact Mosby, Inc., Subscription Services, 11830 Westline Industrial Dr., St. Louis, MO 63146-3318, USA; phone 800-453-4351 or 314-453-4351.

Subscriptions must be in force to qualify. Bound volumes are not available in place of a regular journal subscription.
